Dear Friend,

YENGEMA SECONDARY SCHOOL, SIERRA LEONE

In 1965-1970 in Sierra Leone, I worked in Yengema Secondary School (YSS) for five years with Fr. Ray Barry CSSp. Peter Newman CSSp was Parish Priest. Among the expatriate Irish lay teachers there was CIARAN MC GOEY, a native of Co. Longford, now living in Carlingford, Co. Louth.

After three years of planning, Ciaran has now succeeded in organising a fundraising concert (featuring Fr. Liam Lawton and others) for YSS, which suffered terribly during the civil war and Ebola crises. The funds raised will be ring-fenced for significant school development.

The concert will take place in ST. MEL'S CATHEDRAL, LONGFORD ON FRIDAY, 25TH OCTOBER at 8.00 pm.

I would be most grateful if you would please contact me to buy a ticket for this worthy cause.
Sincerely,

John Flavin CSSp
